Revenge on Patton

Chapter 1

Amanda Rollins and her fiancÃ© Declan Murphy are in their apartment in New York and they're playing with baby Jesse. They hear a knock on the door. Amanda gets up from the couch and she answers the door. It's Fin and Olivia and they had come to see Amanda.

"Liv, Fin, what are you two doing here?" Amanda asks.

"We decided to help you tell your father that Patton approached you."

Olivia replies.

Fin and Olivia come inside Amanda's apartment and they sit down on the couch. They say hello to Declan and baby Jesse. Amanda brings drinks out for everyone.

"Patton approached me and you guys had to pull him off of me. How am I going to tell my father?" Amanda asks.

"Your father has a right to know that Patton approached you." Declan says.

Amanda doesn't want to tell her father that Patton approached her because of what happened last time. She tells Fin, Declan and Olivia that the last time he confronted Patton about his daughter, Patton just stood there and lied straight to his face.

"Amanda, we have to tell your father that Patton approached you." Fin says.

"Why? The same thing will happen again." Amanda responds.

"You don't know that for sure." Declan says.

Amanda lays on Declan's chest while Olivia and Fin help Amanda find a way to tell her father about Patton. Declan is comforting Amanda as she sits close enough to him, clinging to him.

Olivia, Declan and Fin aren't happy that Patton approached Amanda. They should have filed a restraining order against Patton so that he can never hurt Amanda again. She believes that Patton will return to New York to hurt Amanda again.

Olivia, Declan and Fin tell Amanda that Patton can't hurt her again. She hopes that Patton never returns to New York so that she can feel safe. Olivia turns to Amanda so that they can talk about what to tell her father.

"Patton better not lie this time because if he does, I don't know what to tell your father because he swears he didn't hurt you." Olivia says.

"I can't tell my father. He's going to be mad." Amanda says.

"Amanda, we'll help you tell your father that Patton approached you when the time is right and he's going to be mad at first. But he's going to file a restraining order against him." Declan says.

"Okay. I'll tell him." Amanda says.

Amanda, Declan, Olivia and Fin come up with a plan to tell Amanda's father that Patton approached her. They decide to invite Amanda's father over for lunch the next day. Amanda is scared to tell her father that Patton approached her.

"It's okay, Amanda. We're here for you." Fin says.

"Amanda, you know that I love you so much." Declan says.

Amanda doesn't want to tell her father about Patton approaching her. She's scared that Sam Reynolds might come back to taunt her about Patton. The SVU team wants to help Amanda move on from Patton and from Sam.

"And we'll make sure that your father doesn't try to kill himself again." Fin says.

Amanda is worried that her father will try to kill himself again because of what happened to her many years ago. She hopes that a restraining order will keep Patton away from her.

"What if my daddy tries to kill himself again? I won't have anyone to walk me down the aisle on the day of the wedding." Amanda says.

"If anything happens to your father, I'll walk you down the aisle." Fin says.

"I always wanted Daddy to walk me down the aisle on my wedding day, even when my mother nagged him out of the house." Amanda says.

Amanda knows that she has to tell her father about Patton before it's too late. She won't let Sam or Patton ruin her relationship with Declan. She has a lot to do now that she's getting married.

Later that evening, Amanda talks to her father on the phone, inviting him to lunch at her apartment. He tells her that he would love to come over for lunch and he asks if he can bring his new wife along too. Amanda accepts and they hang up the phone. Amanda goes into bed with Declan and she lays on his chest and she talks about her father coming to lunch at their apartment the next day.

"Was that your dad on the phone?" Declan asks.

"Yeah." Amanda replies.

"Is he coming tomorrow?" Declan asks.

"Yeah." Amanda responds.

Amanda and Declan are talking about lunch with her father. She's excited to see her father. Olivia and Fin are also coming for lunch too.

"My dad's bringing someone. Is that okay?" Amanda asks.

"Yeah. Who is he bringing?" Declan responds.

Amanda tells Declan that her father is bringing his new wife to lunch. He wonders what his fiancÃ©e's new wife is like.

"Christina." Amanda replies.

"Who's Christina?" Declan asks.

"His new wife." Amanda responds.

Declan is happy that his fiancÃ©e's father has a wife that isn't like her mother. He wonders what her mother would think of her ex-husband's new wife. Amanda tells Declan that her father got married a few weeks ago but she was unable to attend her father's wedding due to work and a baby.

"Have I met her?" Declan asks.

"No. But you'll love her. She's the most down to earth woman I've ever known." Amanda replies.

Amanda tells Declan more about her father's new wife. She seems happy that her father met a woman who isn't like her mother. She doesn't know if her new stepmother has met her sister who is currently in jail.

"How did you meet her?" Declan asks.

"I met her while visiting my dad in rehab." Amanda replies.

"Why was he in rehab?" Declan asks.

"He was depressed and he tried to kill himself." Amanda responds.

Amanda and Declan say goodnight to each other as they're ready to go to sleep. They say "I love you" to each other and they go to sleep. They are excited for tomorrow.

3. Chapter 3

Chapter 3

The next day, Amanda and Declan are preparing for their lunch party. Fin and Olivia arrive at the apartment. Olivia brings Tucker and Noah with her. Carisi and Reese Taymor come to Amanda's apartment together.

"My dad will be here soon. He's bringing his new wife. You guys are going to love her." Amanda says.

"Your father married another woman?" Carisi asks.

"Yeah. She's not like my mom." Amanda replies.

Olivia is in a relationship with Captain Ed Tucker. Reese Taymor has just began a relationship with Carisi. Declan is making the food with the help from Carisi.

"Declan's making the food now." Amanda says.

"Since when does Murphy cook?" Fin asks.

"My sister teaches a cooking class in Virginia. She taught me and Amanda everything about cooking." Declan says.

"That's good because you guys are getting married in a few months." Tucker says.

Amanda's father and his new wife arrive at the apartment. Amanda opens the door. She sees her father and his new wife at the door.

"Daddy, Christina, come on in. Everybody's here." Amanda says.

Tony Rollins and his wife Christina come into Amanda's apartment. Carisi and Reese are playing with baby Jesse. Tony introduces his wife to everyone.

"Declan, I have someone I would like you to meet." Amanda says.

Christina comes into Amanda's kitchen. She is getting ready to introduce herself to her stepdaughter's fiancÃ©.

"Christina, this is my fiancÃ©, Lt. Declan Murphy." Amanda says.

"Nice to meet you, Mrs. Rollins." Declan says.

"Come on, Christina. I want you to meet the others." Amanda says.

Amanda introduces Christina to Olivia, Tucker, Noah, Fin, baby Jesse, Carisi and Reese. Olivia walks up to Tony to say hello. Tucker and Noah join her.

"Mr. Rollins, this is Captain Ed Tucker, my boyfriend and this is my son, Noah." Olivia says.

"So this is Detective Rollins' father." Tucker says.

"Olivia, your son is adorable." Ton says.

"Thank you, Mr. Rollins." Olivia says.

Tony joins his daughter and wife and he plays with his granddaughter.

The food is done and the whole gang sits down to eat. They're having a good time. They're enjoying the food.

"Amanda, your father tells me that you're getting married." Christina says.

"Yeah. I'm excited though." Amanda says.

Amanda and the whole gang discuss her wedding plans while eating. She is happy that she's going to marry the man that she loves. She wants to have a wonderful wedding.

"Who's going to walk you down the aisle?" Reese asks.

"My dad, of course." Amanda replies.

After lunch, everybody cleans up their plates and the table. They all

sit down to talk more about the wedding. Tony brings a scrapbook that Amanda made when she was a little girl. The scrapbook contains pictures of what she wants her wedding to be like.

"Oh my God. I remember this." Amanda says.

"What is it?" Reese asks.

"It's my wedding scrapbook. I made it when I was 8 years old. Daddy said it was creative and he saved it for me. He gave me the book to keep after my mom threw him out of the house." Amanda responds.

Amanda and the gang look at her wedding scrapbook. She is happy to look through her book. Her father is glad to share this moment with his daughter. Declan takes a look at the book.

"Before Amanda and I got engaged, she showed me this book and I was impressed. I saw a picture of an engagement ring that Amanda wanted and I bought one that was just like it. When I proposed, she was so excited to see the ring, she said yes." Declan says.

"How did you propose, Declan?" Christina asks.

"We had a christening for Jesse and we decided to have a party after. Olivia said that we can have the party at her house. We catered food from her father's restaurant. It was delicious. I made a speech about Jesse and then after, I got down on one knee and asked Amanda to marry me. I was excited that she said yes." Declan replies.

"Who did you pick for godparents?" Christina asks.

"Carisi is Jesse's godfather and Reese is Jesse's godmother." Amanda replies.

The whole gang expect baby Jesse, Declan and Amanda leave the apartment after their lunch party. A few hours later, it's dinner time and Declan orders a pizza. Declan comes home with the pizza and it's hot and fresh. They eat the pizza and they watch "The Notebook." Amanda and Declan are covered in a blanket and she lays on his chest.

Around 11:30 PM, Amanda and Declan get ready for bed. They brush their teeth together and they get into bed. They say "I love you" to each other and then they go to sleep.

"Well, I don't want to talk to you." Tony says.

Patton feels threatened that Tony doesn't want to talk to him. He's drunk and he wants to contact Amanda. Tony will not allow that to happen.

"I don't want you contacting Amanda." Tony says.

"Why not?" Patton asks.

"She doesn't want to talk to you." Tony replies.

Tony tells Patton off and he wants to hang up the phone on him. Patton becomes angry and he starts to threaten Tony. He wants Patton to leave him and his family alone.

"I'm returning to New York and I'm going to get Amanda and Reese to come back to Atlanta." Patton says.

"You're not taking them. Amanda is starting to plan her wedding and Reese enjoys New York and she's in a relationship with an SVU detective." Tony says.

Patton threatens Tony and he isn't happy about that. He feels that he should call the police and file a restraining order. Patton wants to ruin Amanda's wedding.

"If you tell anyone that I'm returning to New York, I'll drug you." Patton says.

"If you drug me, I'll tell everyone that you got your friend Sam Reynolds to fake my death so that I couldn't be with my daughter anymore." Tony says.

"Come on now, Mr. Rollins." Patton says.

Tony hangs up the phone on Patton. He types his statement that Patton threatened him over the phone. Christina comes up to Tony and sits with him on the couch.

"Who was that on the phone?" Christina asks.

"Patton. He threatened me." Tony replies.

"We have to call the police." Christina says.

"Mrs. Rollins, you need to tell us why Patton threatened your husband." Olivia says.

"He threatened my husband because he doesn't want people to know that his buddy Sam Reynolds faked my husband's death." Christina says.

Amanda gets a phone call and she takes it outside. She takes the call and it's Patton. She doesn't want to talk to him. She is scared for her life.

Patton gets rough with Amanda over the phone. She wants to hang up the phone on him. Amanda doesn't say anything.

"You and your friend Reese got me sent to the sex offender registry. You have a beautiful daughter." Patton says.

"How do you know I have a daughter?" Amanda says.

"Your mother showed me and my wife a picture." Patton replies.

"I don't talk to my mother because of you." Amanda says.

"I'm here in New York. If you tell your friends at SVU, your father or your fiancÃ©, I'll kidnap your daughter." Patton responds.

Amanda hangs up the phone on Patton. She is in shock that Patton threatened her just like he threatened her father. She doesn't know what to think or say.

Amanda wants to cry but she holds back tears. She is afraid to tell Declan that Patton threatened her. Tony, Christina, Olivia, Amanda and Dodds sit back down at the table.

"He threatened my husband and my stepdaughter. I want a restraining order against him." Christina says.

"Okay, slow down, Mrs. Rollins. We'll get a restraining order." Dodds says.

"I'm waiting for Declan." Amanda tells her father.

"You and Declan can come when you're ready. I'll see you at lunch." Tony says.

Tony stays with his daughter while she waits for Declan. He is ready to find his wife to take her to lunch. Amanda and Declan will join them. Patton drives up and Tony backs up in order to be away from Patton after what happened. Patton gets out of the car and walks up to Amanda.

"I thought I told you to shut the hell up." Patton says, angrily.

Amanda gasps as she sees Patton and as he walks up to her. She is scared and she doesn't know what to do.

"I didn't. What do you want?" Amanda asks.

"Your fiancÃ© just sent me a threat online." Patton replies.

"Well, I wonder where he got that idea." Amanda responds.

Patton becomes angry with Amanda. She doesn't want to talk to Patton. Her father is scared for his daughter.

"What did you tell him?" Patton asks.

"I didn't tell him anything. Leave me alone." Amanda replies.

Patton grabs Amanda by her arm and he squeezes it hard. She screams out in pain.

"Ow! Patton let me go!" Amanda yells.

"I'm not going to warn you again. Stay away from me and stay away from my wife and tell your fiancÃ© to keep his mouth shut or else you're going toâ€¦" Patton yells.

"Let her go, Patton!" Declan yells.

Declan runs up to Patton and he pulls him off of her. He pushes Patton to the ground and he fights him. Tony runs up to see the two men fighting.

"It's okay Declan. He's leaving now." Tony says.

Patton gets up and he tries to beat Declan and Tony up. He is mad because of the message he received.

"Hey! Get the hell out of here!" Amanda yells.

Patton walks away and he walks up to his car. He gets in his car and he gets ready to drive away. Tony and Declan are not too happy with Patton. Amanda is scared for her life.

Patton drives away in his car. Declan runs his hands through his hair. Amanda wants to cry but she holds back tears.

"Stay away from Amanda! If I ever see you again, I'll rip your head off!" Declan yells.

Declan walks up to Amanda and he comforts her. He looks into her eyes.

"Are you okay?" Declan asks.

"Yeah." Amanda responds.

"Let's get out of here. Mr. Rollins, we'll see you for lunch around 12:30." Declan says.

Declan and Amanda walk out of the park and get ready to go home. Tony is scared for them. He hopes to see them for lunch. Amanda is clinging to Declan as he walks her to the car.

"Honey, honey, I'm sorry. Okay? Patton's an idiot. It's okay. You want to go home?" Declan asks.

Amanda shakes her head yes. Declan comforts Amanda as she is scared by what happened.

"Let's go home and we'll get ready to meet your dad for lunch." Declan says.

Around 12:30, Amanda and Declan meet Tony and Christina at his restaurant for lunch. Declan is impressed on how her father owns a restaurant. The place looks modern and it's amazing.

"You own this place, Mr. Rollins?" Declan says.

"Yeah. I owned a bar when I used to gamble and now I own a restaurant." Tony replies.

The waiter comes to Tony's table and the gang order their food. A few minutes later, the food arrives and they eat. The gang are enjoying their lunch and they discuss more about the wedding.

"After we find a place to have the reception, I'll give the place my card and recommend some food that we can have." Tony says.

"Everybody loves the food here, Tony. I'm sure they'll love the food at the reception." Christina says.

Amanda gets a text from Fin saying that he and Olivia want to come by Amanda's apartment after lunch. They are going to help Amanda tell

her father that Patton approached her after he was told to return to Atlanta. They are finished with their lunch and head home.

"Liv and Fin will be here soon." Amanda says.

"They're good people." Tony says.

"What are you doing here?" Tony asks.

"We need to talk to you, Mr. Rollins." Fin replies.

Tony is wondering what Fin and Olivia need to talk to him about. He is worried that he's not going to like what he is about to hear. He doesn't know what to think or say.

"Can we have a minute with your husband, Mrs. Rollins?" Olivia asks.

"Yeah. I'll take Jesse and play with her in the bedroom." Christina says.

Christina leaves the room and she takes baby Jesse with her. Olivia and Fin sit down on the couch. They comfort Amanda before she tells her father that Patton approached her.

"Mr. Rollins, Amanda has to tell you something." Declan says.

Amanda doesn't want to tell her father that Patton approached her. She's afraid that he's going to try to kill himself again.

"It's okay, Amanda. Just tell your father what happened with Patton when he was told to return to Atlanta." Fin says.

"Patton approached me. I was getting out of a cab and he saw me. He noticed my engagement ring. He told me for someone who's marrying a lieutenant that stopped sex trafficking, I was still a very beautiful girl. I told him that he told Sam Reynolds where I was. Fin and Liv saw Patton approach me and they had to pull him off of me. I held on to Fin as Liv grabbed Patton off of me. I had my hand over my mouth and I felt sick. After Liv pushed Patton away and told him to get away from me, I threw up on Fin. I was vomiting until I didn't see Patton anymore." Amanda says.

Tony is shocked from what his daughter told him. He doesn't know what to think or say. He gets up from the couch and he paces.

"Son of a bitch." Ton says.

"I'm sorry, Daddy." Amanda cries.

"It's not your fault, baby." Tony says.

Christina returns from baby Jesse's room to see Amanda and Tony upset. She walks up to her husband and her stepdaughter.

"What happened?" Christina asks.

"Mrs. Rollins, your husband just found out that Patton approached Amanda." Fin replies.

Christina is shocked to hear about what Tony heard. She doesn't know what to think or say. She wants to teach Patton a lesson.

She comforts Amanda as she cries. She has never seen her stepdaughter in pain before. Amanda lays her head on her stepmother's chest.

"Tony, you have to talk to Patton." Christina says.

"I don't want to talk to him. He threatened me. I think you should do it." Tony says.

"I'll talk to him. I'm not going to let that predator get away with harassing my stepdaughter." Christina says.

Christina finds Patton's hotel room. She knocks on the door angrily. Patton opens the door and sees Christina who is angry.

"I'm enjoying the weekend with my wife." Patton says.

"Are you Patton?" Christina asks.

"Why?" Patton asks.

Christina is furious that Patton talked back to her. She is ready to tell him off.

"I'm Amanda's stepmother." Christina replies.

"Oh. Her father married another woman? She sent you here?" Patton asks.

"Don't you ever go near my stepdaughter again!" Christina yells.

Patton is getting rough with Christina. He is angry that he is being told off.

"Or what? You'll send a bodyguard around?" Patton says.

"I will if I have to." Christina says.

Patton's wife comes at the door. She is wondering what the problem is.

"What's going on?" Vivienne asks.

"I think you need to ask him." Christina responds.

"She's mad." Patton says.

Christina isn't too happy with Patton. She wants him to leave her stepdaughter and her husband alone.

"He's been harassing my stepdaughter." Christina says.

"What did you say?" Vivienne asks.

"He approached her a few days ago and he also threatened her. He also threatened my husband." Christina responds.

Patton's wife knows Patton better than Christina. She thinks that her husband is a good man and people just don't like him.

"Ma'am, there must be a mistake." Vivienne says.

"No. I think you're mistaken if you think I'm going to let him make my stepdaughter's life a misery. I'm also not going to let him make my husband's life a misery." Christina says.

Christina is not happy with Patton and his wife. She doesn't want

Patton anywhere near her stepdaughter and her husband. She will be calling the police to have Patton arrested.

She hopes that Patton will leave her husband and stepdaughter alone. She knows what he did to her husband's daughter.

"I'm sure there was a misunderstanding." Vivienne says.

"Oh, please. Don't even bother. Just keep that jerk away from my stepdaughter or there's going to be hell to pay." Christina says.

"You think you can threaten my husband?" Vivienne asks.

"He threatened my husband, so yes. And keep him away from my husband too otherwise there's going to be more hell to pay. Now are we clear?" Christina responds.

Vivienne doesn't answer and Christina leaves the hotel that she and Patton are staying. Christina is mad and she hopes that Patton will return to Atlanta and never return to New York. She returns home and she sees Tony on the couch,

"Well, did you talk to him?" Tony asks.

"Yeah and his wife got involved." Christina replies.

"Hopefully he can leave us alone now." Tony says.

"We have to get him sent back to Atlanta." Christina says.

Tony is glad that Christina talked to Patton. He hopes that everything will go back to normal.

10. Chapter 10

Chapter 10

A week later, Declan and Amanda decide to go out to the boardwalk to go on rides and have some fun. They plan their evening and make plans for that night. The babysitter has agreed to watch Jesse while Amanda and Declan go to the boardwalk.

"I've been wanting to go to the boardwalk for a while now." Amanda says.

"We'll have fun. We'll eat some food, take pictures, go on rides, buy souvenirs or whatever you want, listen to music and we'll play games. I'll pay for everything. Don't worry about paying for yourself." Declan says.

"That's why I love you." Amanda says.

"I love you more than traveling far away to where we don't get to see each other for months." Declan says.

Declan and Amanda lean in for a kiss. Their lips kiss each other while sitting on the couch. Amanda hears a knock on the door and it's the babysitter.

"Hello. I came to watch Jesse while you go out to the boardwalk." The babysitter says.

"Thank you so much. This is a date before the wedding. It's in a few months." Amanda says.

"You will be coming, right?" Declan asks.

The babysitter is surprised that Declan and Amanda want their babysitter to come to their wedding. She doesn't know what to think or say.

"You want me to come to your wedding?" The babysitter asks.

"Yeah. You take care of Jesse for us while we work." Amanda replies.

"I'll think about it." The babysitter says.

"Our family and friends will be there. The people that we work with will be there too." Declan says.

"I just hope that Patton doesn't come." Amanda says.

"Relax. I'll make sure you don't see him. Anytime you want to leave, just let me know and we'll go." Declan says.

Amanda is happy to know that if she wants to leave, they'll go home. She is hoping that Patton doesn't approach her again.

"I love you." Declan says.

"Me too." Amanda says.

Patton comes to the boardwalk. Amanda walks away before she sees him. Declan isn't too happy that he came. He walks up to Patton in order to confront him.

"Hey Patton. Hey. You need to get the hell out of here. Amanda is here. I do not want her seeing you. So for once in your life, do the right thing and get the hell out of here." Declan says.

"Why don't you get the hell out?" Patton asks.

"Haven't you put her through enough?" Declan says.

Patton and Declan are not too happy with one another. Tony finds out that Patton came by and he returns to Amanda and Declan with Christina.

"What about what she put me through?" Patton asks.

"What are you talking about?" Declan says.

"Accusing me like she did. Dragging me to court in front of my wife and the whole freaking world." Patton replies.

"So what? You're saying you didn't rape her?" Declan asks.

"Yeah, that's what I'm saying. I had sex with her and trust me. She wanted it." Patton responds.

Declan and Patton start to fight each other. Tony sees Patton and tries to beat him up too. Amanda sees Patton and she wants to leave. Declan comforts Amanda as Christina Tony tells Patton to leave. "He'll leave me. He won't want to marry me if he knew that I was assaulted." Amanda cries.

"Hey, Amanda. It's going to be okay. Your mom left you and I'm sure Murphy won't leave you because he loves you." Carisi says.

"He put you on our bed? The bed that we sleep on every night and where we do fun things?" Declan asks.

Amanda shakes her head yes. She is ashamed because Patton put her on the bed that she and Declan use every day.

"He ripped my clothes off and he slapped me across the face. Christina found Patton on top on me and told him to get off me. She called my daddy and my squad. They came with EMT and an ambulance." Amanda cries.

"I'm glad you're home. Do you want me to make you something to eat? You can have whatever you want." Declan says.

"Yeah." Amanda replies.

"What do you want to eat?" Declan asks.

"Grilled cheese with ham." Amanda responds.

Declan makes 2 grill cheese sandwiches. He makes one for him and one for Amanda. They eat the grill cheese sandwiches and it's 6:45 PM. The grill cheese sandwiches are hot and fresh.

"Do you still want to get married?' Amanda asks.

"Yeah. You're my special girl. I'm never going to let Patton hurt you again." Declan replies.

"Hey Declan? I love you." Amanda says.

"I love you too." Declan says.

Amanda is wondering where Jesse is. She's also wondering where Frannie is. She doesn't know what to think or say.

"Your dad and your stepmom offered to take Frannie and Jesse for the night or two." Declan says.

blanket. She lays her head on his chest. She never wants this moment to end. Around 10:00 PM, Amanda and Declan get ready for bed. They fall asleep. An hour later, Amanda wakes up and has a nightmare.

"No, no, no! Go away! Get off of me, Patton! You're hurting me!" Amanda screams.

Declan wakes up to Amanda screaming. She thinks that Patton is hurting her again.

"Amanda, it's me. Let me hold you." Declan says.

"I'm sorry, Declan." Amanda says, scared.

"It's okay." Declan soothes.

Amanda doesn't want to be alone tonight. She and her fiancÃ© are losing sleep because of what Patton did to her.

"Come here, come here." Declan says.

"I'm sorry." Amanda says, softly.

Declan holds his traumatized fiancÃ©e in his arms. He's very concerned about her.

"It's okay, come here. Everything's all right. It's okay." Declan soothes.

Amanda starts to feel like she is dehydrated. She starts to feel her lips dry from thirst. She is very thirsty and needs water to drink.

"Wa-w-wâ€¦" Amanda tries to say.

"Do you want me to bring you some water?" Declan asks.

Amanda nods her head yes. Declan goes into the kitchen and he opens the refrigerator. He gets a bottle of water and pours the water in a glass. He brings the glass of water to Amanda and she drinks it.

"More water. I'm really thirsty." Amanda says.

Declan pours more water for Amanda. She drinks all of the water. Five minutes later, the water bottle that was full is now empty. Amanda drinks a second water bottle and she finishes it. She drinks a third water bottle and finishes it three minutes.

Amanda and Declan go back to sleep. He is sound asleep. She starts to feel her bladder ache from all of that water that she drank. She gets out of bed trying not to wake her sleeping fiancÃ© up.

"Amanda what's wrong?" Declan asks.

"Iâ€¦" Amanda tries to say.

"It's okay. Take your time." Declan says.

"I needed the bathroom." Amanda cries.

Declan sees the wet spot on the floor and on Amanda's pajama pants. He realizes that Amanda had tried to go to the bathroom on her own.

"You should have woken me up darling. I can carry you." Declan says.

"No. I didn't make it. I wet myself." Amanda complains.

"It was an accident. It wasn't your fault. Let me give you a shower and new pajamas." Declan says.

Declan cleans up the floor that Amanda had peed on and gives her fresh pajamas. She showers and then he helps her dress.

"Amanda, don't feel guilty if you wet yourself or throw up all over yourself and others or if you cry or scream and I'll be here." Declan says.

"Really?" Amanda asks.

"Yeah. I love you." Declan responds.

"I love you too." Amanda says.

Declan and Amanda go back to sleep and she sleeps in his arms. They manage to get some sleep for a few hours. The next time Amanda woke up was at 2 AM. She starts to feel her bladder ache again and she taps on Declan. She needs to use the bathroom.

"Declan wake up." Amanda says.

"What is it, my darling Amanda?" Declan asks.

"I need to use the bathroom." Amanda replies.

"Okay. Let's go. I'll carry you." Declan says.

Declan gets up from bed and then he gets out of bed. He goes to Amanda's side of the bed and he carries her to the bathroom quickly before she has another accident. He takes her to the bathroom and he puts her down in front of the toilet.

Declan opens the toilet lid for his desperate fiancÃ©e and he unties her pants and he pulls them down so that she can sit on the toilet. Declan leaves the bathroom to give Amanda some privacy. He waits for her by the door. Amanda pees in the toilet and she feels better sitting down to empty her bladder. She flushes the toilet after and washes up. Declan picks her up from the bathroom after she's done and they go back to bed and they fall asleep.

He holds her while trying to get her to fall asleep so that he can get some sleep. Declan is happy that Amanda is letting him hold her. After she calms down, she asks him to do something for her.

"I gotta pee again. Can you bring me to the bathroom?" Amanda asks.

"Yeah. Come on." Declan replies.

Declan gets out of bed to bring Amanda to the bathroom. She stays in there longer than usual. She's emptying her bladder while Declan waits for her by the bathroom door. After Amanda is finished, she calls for Declan and he checks on her. He carries her back to bed and they get into bed in order to go to sleep.

"We need our sleep, darling." Declan says.

"Stay with me until I fall asleep." Amanda says.

Declan helps Amanda fall asleep so that he can sleep too. He holds her as she sleeps. He falls asleep after she goes to sleep. They manage to get a few hours of sleep. Amanda wakes up at 6:00 AM and Declan is still asleep. "Amanda, it's 6:00 in the morning. Where are you going?" Declan asks.

"Bathroom." Amanda replies.

"Do you want me to carry you there?" Declan asks.

"No, I want to walk there. You can wait for me by the door." Amanda says.

Declan walks Amanda to the bathroom. She closes the door and empties her bladder. Declan waits by the door in case Amanda needs help. He hears the toilet flush and the water running. "It's okay. Patton really traumatized you this time. That's why we lost our sleep." Declan says.

"I kept drinking water and going to the bathroom a lot too." Amanda responds.

"We'll be able to get some sleep tonight." Declan responds.

Amanda and Declan hope to get some sleep tonight. They don't want another sleepless night like last night. They finish their breakfast, get dressed and they get ready to go to SVU to report Patton for sexual assault and attempted rape.

"I love you." Declan says.

"I love you, too." Amanda says.

Later on in the day, Patton is at his hotel room while his wife is at the store. He hopes to take Amanda and Reese back to Atlanta with him but they don't want to go. Patton hears a knock on the door and he opens it. It's Fin and he's here to arrest Patton.

"Hey, Patton!" Fin yells.

Patton runs away from Fin but he catches him. He isn't too happy about what Patton did to Amanda.

"Get down on your knees! Get down on your knees, now!" Fin yells.

"What are you doing to my husband?" Vivienne asks.

"He's under arrest." Fin replies.

"For what?" Vivienne asks.

"Your husband tried to rape a girl in her apartment." Fin responds.

Patton is in the back seat of the car and Fin drives to SVU. The two men don't say a word to each other. Barba arrives at SVU to talk to the SVU team. Chief Dodds arrives too so that he can talk with Barba about Patton.

"Amanda and Declan will be here soon." Olivia says.

Tony and Christina arrive at SVU. They wonder what's going on. Reese comes in too so that she can comfort Amanda when she comes in with Declan.

"Mr. and Mrs. Rollins, you're finally here." Carisi says.

"Mr. Rollins, who's this?" Barba asks.

"Mr. Barba, Chief Dodds, this is my wife, Christina." Tony says.

"Hello, Mrs. Rollins." Chief Dodds says.

"Mrs. Rollins, we're going to keep Patton away from your stepdaughter." Barba says.

"You have a lovely wife, Mr. Rollins." Chief Dodds says.

"Thank you." Tony says.

"I tried to get away from Patton. I told him that I was almost a married woman but he wanted to hurt me again." Amanda says.

"Well, he's going to get his revenge." Reese says.

"So will your father." Olivia says.

Carisi and Declan are sitting at his desk talking about Amanda's assault. They both know that Patton is a bad man who needs to be far away from Amanda and Reese. Hopefully everything will go back to normal. Carisi asks Declan about what's going to happen between him and Amanda.

"What's going to happen between you two now?" Carisi asks.

"Amanda and I are still getting married." Declan replies.

"You love her, don't you?" Carisi asks.

"Yeah, I do. I love her." Declan responds.

As Fin brings in Patton, Declan sees him and he is furious. He wants to hurt him just like Patton hurt Amanda. Fin gets ready to walk Patton into integration.

"You son of a bitch." Declan says, angrily.

Declan lunges for him and the detectives have to pull them apart.

"Take it easy, lieutenant." Carisi says.

"Relax, Murphy. We'll teach him a lesson." Fin says.

"You attacked Amanda! I know what you did to her in my apartment and in my bed!" Declan yells.

Fin takes Patton into integration where he meets with his lawyer. Carisi and Fin are in the integration room integrating Patton for what they did to their friend. The lawyer asks why is Patton here.

"We have your client on video trying to rape Amanda Rollins." Fin says.

"It was consensual." Patton says.

"She said no and there's a ring on her finger." Carisi says.

Fin and Carisi get rough with Patton. They don't like him because of what he did to Amanda.

"And you slapped her across the face in order to keep quiet about the attack." Fin says.

Patton is just sitting there in the chair. He doesn't know what to think or say. He doesn't want to be in integration.

"She was trying to get me in trouble. Murphy will let me take her back to Atlanta." Patton asks.

"No he won't." Fin says.

"You're not taking Reese either, Patton. I love her." Carisi says.

"You think you can attack my client?" the lawyer asks.

"You're lucky we didn't keep them together." Carisi replies.

The lawyer leaves the integration room. Carisi and Fin start ganging up on Patton. They hope to get justice for Amanda.

"Her father knows that you attacked his daughter." Fin says.

"He's not too happy about that." Carisi says.

Patton is booked and processed in the New York jail. He then is taken to a jail and he sits there. An hour later, his wife posts bail and they leave New York and they go home to Atlanta. The SVU teams tells Patton to never return to New York. He is still on the sex registry list. He got probation and he is not allowed to leave Atlanta.

"It's over, Amanda. He can't hurt you anymore." Tony says.

"Good. We have a wedding to plan." Christina says.

"I love you." Declan says.

"I love you." Amanda says.

Declan and Amanda share a kiss. They walk out of SVU holding hands. Tony and Christina walk out of SVU with them. They go up to Amanda and Declan's apartment and they play with baby Jesse.

"We're getting married." Amanda says.

"It's going to be a beautiful wedding." Declan says.

"My little Mandy, I can't wait to walk you down the aisle." Tony says.

"You're going to have a beautiful dress for the wedding." Christina says.

Amanda is happy that she will marry Declan in the summer. Her father and stepmother are happy that she will be getting married. They want to plan a wedding for them. It will be a surprise that Amanda and Declan can't know until the day of the wedding.

"Are you still going to walk me down the aisle, Daddy?" Amanda asks.

"Of course I am, Amanda. I'm your father." Tony says.

"I bet your dress will be beautiful just like you." Declan says.

Amanda leans in to kiss Declan. They say I love you to one another. They make the perfect couple and now they're getting married. Declan, Amanda, Tony, Christina, Jesse and Frannie sit in the family room eating Chinese food at 7 PM and they are watching 27 Dresses. They decide to get ideas for the wedding that will be in the summer. Patton got his revenge and now Amanda doesn't have to worry about him coming back to New York. She is free from him and now she can start planning her wedding without Patton trying to ruin it.
